The Annual Quality Assurance Report (AQAR) of the IQAC

(For Affiliated/Constituent Colleges)

Institutions Accredited by NAAC need to submit an Annual self-reviewed progress report i.e. Annual Quality Assurance Report (AQAR) to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the IQAC at the beginning of the Academic year. *The AQAR period would be the Academic Year. (July 1, 2017 to September 30, 2018)*

Data of the Institution

1. Name of the Institution: STES's NBN Sinhgad Technical Institutes Campus

- Name of the Head of the institution : Dr. Y. P. Reddy
- Designation: Principal
- Does the institution function from own campus: Yes
- Phone no./Alternate phone no.: 020-24355041/ 020-24355042
- Mobile no.: 9823369180
- Registered e-mail: nbnssoe@sinhgad.edu
- Alternate e-mail : sdmarkande@sinhgad.edu
- Address : Survey No. 10/1, Ambegaon (Budruk), Off Sinhgad Road
- City/Town : Pune
- State/UT : Maharashtra
- Pin Code : 411041

2. Institutional status:

- Affiliated / Constituent: Affiliated
- Type of Institution: Co-education
- Location : Semi-Urban
- Financial Status: Grants-in aid/ UGC 2f and 12 (B)/ Self financing
(please specify): Self financing

- Name of the Affiliating University: Savitribai Phule Pune University (SPPU).
- Name of the IQAC Co-ordinator : Mrs. Pooja P. Kulkarni
- Phone no. : 020-24355041

7. Internal Quality Assurance System

As per the new guidelines of NAAC for the formation of IQAC, Internal Quality Assurance Cell has been formed at NBNSTIC. After NAAC visit, IQAC has conducted four meetings till 17th October 2018. IQAC has prepared AQAR 1 in the new format of NAAC and it is uploaded on the web site of Institute under the tab of NAAC. Following initiatives have been taken by IQAC after NAAC visit:

- Feedback from all stakeholders has been collected by sharing revised Google Feedback Forms with the stakeholders (Internship providers, Alumni, parents, students) about faculty, Department and Institute. The feedback is analysed and will be utilized while deciding the strategy of the next academic year for overall improvement.
- IQAC has also designed a question Paper feedback form for university examinations to find out the difficulty faced by the students in attempting questions based on particular units. This feedback will be taken from students from Nov-Dec 2018 SPPU examination. The analysis of this feedback will be utilized by the subject teachers while preparing the teaching plan of next year to improve the understanding and performance of the students.
- IQAC suggested to start ‘Study Forum’ in all the departments from 2018-19 –SEM I. Committee suggested to involve students, faculty and Industry experts in this activity and discuss some practical problems/case studies. All the departments under Engineering have conducted one activity under Study Forum in 2018-19 SEM 1.
- IQAC conducted meetings for providing the guidelines for the reformation of Course Objectives, Course Outcomes, Program Objectives and Program outcomes, their mapping from syllabus revision point of view as well as Industry expectations point of view. The same is implemented in first semester of 2018-19.
- Departmental News Letter is started from 2018-19 –SEM I.

Note: Some Quality Assurance initiatives of the institution are:

(Indicative list)

- *Regular meeting of Internal Quality Assurance Cell (IQAC); timely submission of Annual Quality Assurance Report (AQAR) to NAAC; Feedback from all stakeholders collected, analysed and used for improvements*
- *Academic Administrative Audit (AAA) conducted and its follow up action*
- *Participation in NIRF*
- *ISO Certification*
- *NBA etc.*
- *Any other Quality Audit*

8. Provide the list of funds by Central/ State Government-

11. Whether IQAC received funding from any of the funding agency to support its activities during the year?: No

If yes, mention the amount: Year:

12. Significant contributions made by IQAC during the current year (maximum five bullets)

*Sharing of Google Feedback Forms with the Internship providers, Alumni and its analysis from 2018-19 –SEM I

* Preparation of SPPU Question Paper feedback form which is to be taken in Google Form format after November 2018 SPPU examination

* Start of study forum in all departments from 2018-19 –SEM I

* Guidance on PG opportunities in abroad under Overseas cell

* Start of Departmental News Letter per semester from 2018-19 –SEM I

13. Plan of action chalked out by the IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year

14. Whether the AQAR was placed before statutory body? Yes /No: **No**

Name of the Statutory body: -- Date of meeting(s): --

15. Whether NAAC/or any other accredited body(s) visited IQAC or interacted with it to assess the functioning?

Yes/No: **No**

Date:

16. Whether institutional data submitted to AISHE: Yes/No: **Yes**

Year: 2017-18

Date of Submission: 02/02/2018

17. Does the Institution have Management Information System? : **Yes**

If yes, give a brief description and a list of modules currently operational.

(Maximum 500 words)

A **management information system or MIS** is a central data repository for not only gathering and storing data but also for analysing and improving the performance of an organization.

A management information system (MIS) at NBNSTIC assists higher authorities for decision-making, coordination, control, analysis, and visualization of information about various activities of college. The study of management information system examines the performance of students as well as faculty. The ultimate goal of the use of a management information system is to improve the teaching learning process.

NBNSTIC has online system for -

- 1) Monitoring daily attendance of the students
- 2) Observing the feedback from various stake holders through Google form sharing
- 3) Observing the feedback of Faculty through ERP system (GEMS)
- 4) Monitoring of internal Exam results through Google sheets

Part-B

CRITERION I– CURRICULAR ASPECTS
1.1 Curriculum Planning and Implementation
1.1.1 Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words
The college is affiliated to Savitribai Phule Pune University (SPPU), Pune and follows the curriculum prescribed by the university. Our academic calendar is based on the timeframe provided by the university.
The Heads of all the departments prepare academic calendar and guidelines after discussing the pros and cons of each. This academic committee decides the best methods to successfully implement the curriculum. Commencement and conclusion of academic term, unit tests, oral/ practical examination schedule, mock

oral /practical schedule, midterm submission etc. is clearly indicated in the one page academic calendar and made available to the stakeholders and teachers to plan the academics. IQAC ensures effective delivery of the curriculum by properly implementing the plan.

A choice of elective subject to be opted in final year is taken from the third year students during their end semester examination. Depending upon the majority of students opting for a particular subject, the elective subjects are finalized and faculties having flair for teaching that subject are allocated those subjects in teaching load distribution.

At the end of the term, a subject choice sheet for the next semester is circulated in the department. Based on the experience, choice and previous performance, theory and practical load is distributed among the faculty members so that they can prepare notes and course file of the allocated subjects. Faculties prepare course files for the allocated subjects which includes subject notes, teaching plan, lab plan, planning of teaching aids, University question papers etc. Course files of all faculties are checked by the HOD to ensure smooth conduction of lectures and practical by the faculty. Laboratory manuals are also prepared for smooth conduction of practical.

Time table for various classes is prepared by the time table in-charge. Master time table, Individual time table, laboratory time table are prepared. All these Time tables are duly signed by the HOD and Principal.

Members of Internal Quality Assurance Cell (IQAC) monitor daily attendance of students and conduct of academics. If required, give feedback to the faculty to improve the performance. IQAC takes online feedback about Department, Institute and teachers from students and based upon the feedback, IQAC members give suggestions/guidelines to faculties to meet learner's requirement. In critical cases, it is ensured that the feedback is improved and faculty has adapted himself/herself to cope up with learner's suggestions. College has teacher guardian scheme under which a batch of maximum 20 students is allocated to one faculty (TG) and TG has to take care of those students as if he/she is local guardian/parent/mentor of the student.

Unit tests, retests and prelim exams are conducted as per SPPU examinations pattern for the self evaluation of the students. Mock Oral/Practical sessions are conducted to make student aware about oral/practical examination. Extra lectures are conducted for direct SE admitted students who report late to the institute.

Industry experts are invited for to bridge the gap between Industry and Institute. Monitoring of project work of final year students is also done periodically.

1.1.2 Certificate/ Diploma Courses introduced during the Academic year: No new diploma courses were introduced in the last academic year 2017-18 but training was imparted to students to increase their employability, to increase their skills.

<p>To enhance skill development, students of third year of Mechanical Engineering are involved in hands on sessions of dismantling and assembling of various assemblies which institute has procured.</p> <p>Following objectives are fulfilled during these skill development practicals:</p> <ol style="list-style-type: none"> 1. To develop the skill required in shop floor working. 2. To have knowledge of the different tools used in machine assembly shop. 3. Application of theoretical knowledge in practice. <p>Students are given exposure to hands on sessions of assembly and dismantling of following industrial products:</p> <ol style="list-style-type: none"> 1. Tail stock assembly 2. Valve Assembly (Steam stop valve) 3. IC engine of Two Wheeler (4 stroke single cylinder) 4. Hermetically sealed compressor 5. Hydraulic actuator 6. Industrial Gear box 				
<p>1.2.1 New programmes/courses introduced during the Academic year: No new programmes /courses were introduced during the academic year 2017-18, but National Programme on Technology Enhanced Learning certificate courses which is an initiative of IIT and IISC were completed by students to gain latest knowledge in the field.</p>

<p>1.2.2 Programs in which Choice Based Credit System (CBCS)/Elective course system implemented at the affiliated Colleges (if applicable) during the Academic year.:</p> <p>Elective subjects are offered during last year of Engineering by Savitribai Phule Pune University (SPPU). For ME (Mechanical - Design Engineering) students are offered with choice based electives during second year of their course. For MBA, CBCS system is there.</p>				

In Engineering 2015 pattern syllabus of SPPU, University has made it mandatory for all the students to opt for one audit course apart from mandatory subjects. The audit courses offered are mostly selected by the students on the basis of their interest.

2.3.2 Students mentoring system available in the institution? Give details. (maximum 500 words)

The institute has Teacher Guardian (TG) scheme for counseling the students which satisfies the mission statement of the institute towards the holistic development of students. Under this scheme every teacher is assigned a group of approximately 25 students. A Teacher Guardian acts as a Friend – Philosopher – Guide to each student. A TG monitors the student through various ways explained as follows:

By providing academic support:

The TG maintains the record of their allocated students in every aspect which includes the record of academic performance of the students, personal information like permanent and temporary address, mail id, mobile no etc.

The TG conducts regular meetings with assigned students. The students can discuss the academic problems with the TG in the meeting. Through the periodic meetings with the students TG knows difficulties faced by the students and remedial actions are taken in case of problems. Cumulative attendance of all students is maintained in the department. Regular absent students are identified by the Teacher Guardian (TG) and the same is informed to the parents through telephonic conversation, SMS if required.

Evaluation monitoring of the students are done through the periodic tests which are taken following SPPU pattern to let the student and parent know where the student stands. Record of periodic tests is maintained. Unit Tests and Prelim Examinations are conducted in each term. Mock online tests are conducted for SE students and results are disclosed to students. Mock practical and oral exams are also conducted and performance of the students is evaluated and informed to all students.

Academically weaker students are identified from the outcome of university and internal assessments. The institute organizes remedial and extra lectures for these students. This helps the students in understanding the basic concepts about the subject and makes the student more comfortable with the subject

By providing personal support:

The TG conducts regular meetings with assigned students. The students can discuss their personal problems with the TG in the meeting and /or he /she can discuss it in person. The TG maintains proper communication with the parents by informing them regarding the absenteeism/irregularity of the students. It also helps in understanding the family background of that student.

Heads of the department are talking to students individually also counsel the students on

- Resolution of complaints and support by Grievances cell
- The suggestions from students are well thought-out. The suggestion box is also kept in the department.
- Medical facilities are also available in the campus for needy students.
- Problems related to hostel and mess is also attended and sorted out by hostel warden time to time.

Psychological support also provided to the students by TG, HoD, and Principal on case-to-case basis. A professional counselor is also available in the campus to solve student's problems and queries.

In spite of above mentioned responsibilities faculty members, TG, Heads and Training & Placement officer assist student seeking advice for

- Higher education,
- Selection of elective subjects in final year,
- Selection of seminar topics and project domains; and
- Career path selection.

Almost all students are availing the facility of academic support and career guidance support, whereas a few students also avail the personal, and psycho-social support through teacher guardian scheme.

2.5.2 Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)**The major evaluation reforms initiated by the institution on its own are as follows:**

The evaluation scheme reforms are comprised of continuous evaluation throughout the semester. The components for continuous evaluation are attendance, understanding of concept, case study, class test, field visit, simulation, home assignment etc. The marks of term work / internal is based on continuous evaluation. The institute has implemented mock practice session through E-exam portal for first year and second year engineering students. The institute conducts unit test/ tutorial / preliminary test and mock

practical sessions to make students aware about their preparations and declared the result in eight days. The institute also takes mock presentations of seminar, mini projects and projects. To meet recruiter's expectations institute organizes various programs / events in view of bridging the gap between Institute and Industry. The teaching-learning process was shifted in interactive, project, and group based approach so as to make ease of answering the application based questions by students. Acquainting students with the online examination system, the institute provides practice Multiple Choice Questions (MCQ) through E-exam portal. Ensuring the fulfillment of the parameters of continuous evaluation through completion of term work, conduction of mock practical and oral examination prior to university examinations, conduction of online, in semester and end semester examinations.

2.5.3 Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

For the qualitative implementation of teaching and learning, the institute plans and organizes teaching learning and evaluation schedule.

Academic Calendar: In line with the academic calendar of SPPU, the Institute prepares academic calendar. It comprises of internal, university examinations, midterm submissions, STP, VAP, AMCAT tests, QALR tests, Industrial visits, seminars and guest lecturers etc. Teaching plan of each subject teacher is prepared on the basis of academic calendar and curriculum. Content beyond the syllabus is also planned to meet the objectives of the course.

Evaluation process:

Attendance Monitoring: Cumulative attendance of students is displayed monthly on the notice board. If needed TG interact with students if his/her attendance is not up to the mark, and the same is also communicated to their parents.

Continuous Evaluation: The department monitors the attempt/participation of the students in laboratory work through continuous evaluation process, accordingly the student gets internal marks (Term work marks). Unit Tests and Prelim Examinations are conducted in each term. The examination performance of the students is monitored. Teacher Guardian counsels the students about the academic performance. Mock online tests are conducted for SE students and results are disclosed to students. Mock practical and oral exams are also conducted and performance of the students is evaluated and informed to all students.

University Evaluation: At the end of term, SPPU conducts examination and evaluates the student's performance and offers the marks/ grade for the same.

Extra efforts and remedial measures: After each internal test, mock test or university examinations, result analysis is done. Academically weak students are identified and extra sessions are scheduled for them. Head of the department takes a review of the result analysis. Remedial lectures are scheduled for failure students. AMC also takes review of result analysis as well as feedback and suggests corrections needed.

CRITERION III – RESEARCH, INNOVATIONS AND EXTENSION

3.1 Resource Mobilization for Research

Academic Research Committee (ARC) motivates and helps faculty to submit good quality research projects for various funding agencies. ARC creates awareness about research culture among faculty and student by conducting various research oriented activities. ARC also provides support for smooth progress and implementation of research schemes/projects. Expert guidance is provided by the RC members to the students carrying out research activities. The institution provides assistance in auditing and receiving the utilization certificate for the funds received for research from various funding agencies.

Faculty members are encouraged to pursue Ph.D. and Institute allows them to pursue research during working hours. Staff are also encouraged to participate in various faculty development programs (FDPs), STTPs, seminars and workshop to expose them to recent trends in education and technology.

Students as well as faculty members are guided as well as encouraged to publish research papers in Journals of national and international repute.

Students are encouraged to participate in project competitions like Avishkar, BAJA, Go Kart, Hackathone etc.

Institute promotes faculty members for consultancy by providing incentives. Generated income is distributed among the faculty involved in consultancy according to the institute policy.

The institution has well equipped laboratories with basic equipment needed to initiate the research. The institute provides library resources such as books, e-journals and e-books.

For the all round development of the students, Institution has established various clubs such as science club, engineering clubs, management and research club, media club, photography club etc. These clubs organize activities such as design contest, project competitions, technical paper presentation competitions, etc. It helps to produce competent students to face the new challenges of today's globalized world. Student Training Program (STP) includes a module for inculcating a research culture and aptitude among students.

Institute has strong mechanism to interact with Industry through various MoUs and Industry Institute Interaction Cell. 'Industry Institute Interaction Cell' (IIIC) has been set up and industry professionals are invited to interact with faculty and students.

Various social activities such as blood donation camp, organ donation awareness program, gender equality awareness program, computer awareness camp in a rural area etc. are organized

involving students for their holistic development.

CRITERION VI –GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 Institutional Vision and Leadership

Vision :

उत्तमपुरुषान् उत्तमाभियंतृन् निर्मातुं कटिबद्धाः वयम् ।

We are committed to produce not only good engineers but good human beings, also.

Mission

Holistic development of students and teachers is what we believe in and work for. We strive to achieve this by imbibing a unique value system, transparent work culture, excellent academic and physical environment conducive to learning, creativity and technology transfer. Our mandate is to generate, preserve and share knowledge for developing a vibrant society.

6.1.1 Mention two practices of decentralization and participative management during the last year (maximum 500 words) Academic and financial

Decentralization makes a significant impact on policy, planning and management of an organization. To achieve quality of education, at various levels the college grooms the leadership. Governing body, Management, Principal, Vice Principal, IQAC Members, Steering committee, teaching staff, non-teaching staff, supporting staff, student's union, student representatives, Stakeholders, Alumines and various committees jointly empower, propose, design, formulate and execute their plans within the frame work of

governance. The Academic, Administrative, Sports, NSS, Cultural, Examination, STP, IQAC, Purchase, Accounts. Dead stock verification, ERPetc. committees are working together for the smooth running and over all functioning of the college.

6.1.2 Does the institution have a Management Information System (MIS)?

Yes, Institute uses Governing Educational Management System (GEMS) software for administrative and academic work.

6.2 Strategy Development and Deployment

6.2.1 Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Curriculum Development

The institute is affiliated to Savitribai Phule Pune University (SPPU). The curriculum is developed by SSPU Pune and it gets upgraded after every 4 years.

Board of studies (BoS) is a body in the University to formulate the curriculum. Faculties are actively participating in the process of design and development of curriculum at various levels such as member BOS, coordinators for subject revision, etc.

Teaching and Learning

For carrying out effective and smooth teaching learning process, every department makes necessary preparations before the commencement of semester. The effectiveness of teaching-learning process is ensured by the members of IQAC. Some of the steps which are followed while implementing the teaching -learning process are:

- Academic related programs such as Train the Trainers (TTT) and Faculty Development Program (FDP) are organized for faculty by the institute and University respectively for different courses.
- Course allocation to faculties prior to start of semester
- Preparation of departmental Academic Calendar and Teaching Plan
- Defining Course learning Objectives and Course Outcomes
- Preparation of Lecture notes
- Modifying the laboratories to cater for the needs of revised syllabus and new technology
- Monitoring the teaching process through Online feedback from students, Oral feedback from students by Head of Department, Academic audit by peer committee, Result analysis for internal as well as external (University) examinations.

- Monitoring students' performance through Internal Unit Test, Mock Tests and practicals, Preliminary examinations, Improvement tests, Assignments, tutorials, seminars
- Addressing issues of individual student remedial classes for slow learners, Personal guidance to students approaching with difficulties, Mentoring of students through Teacher-Guardians.

Examination and Evaluation

- Internal Mock tests (for Online exam and Practical), Unit tests and Preliminary examinations (Theory) are conducted at institute level.
- Evaluation is done by the respective subject teachers and discussed with students.
- External theory examination and practical/oral examinations are conducted by SPPU as per their rules and regulations.
- Institute maintains overall analysis of the examination results.

Research and Development

The institution has a central research committee (RC) to monitor and address the issues of research. For developing the research culture, various departments of the institute have signed MOUs with industries. Institute motivates the faculty to undertake research activities through post graduate studies and doctoral studies. It motivates them to publish research papers.

Library, ICT and Physical Infrastructure/Instrumentation

The Library is automated with AUTOLIB library management software and the operations of cataloguing, circulation, stock verification have been automated. Online Public Access catalogue (OPAC) enables user to search the books in the possession of the library. Library also provides reprographic services, current awareness services, inter library loan, referral services and book reservation facility. In house/Remote access to e-publications is made available through internet, Wi-Fi and Library Portal. A well-equipped Digital Library with 30 nodes having internet connectivity is housed in the Central Library for access to e-publications. In order to update users about the latest technology, library subscribes to e-resource packages of Elsevier e-journal (Science Direct). Reading room is available 24x7 hours. Internet service, Governing Education Management System (GEMS) and Wi-Fi facility has been made available to the faculty and students in laboratory and faculty room. LCD projectors are installed in all classrooms & few computer laboratories for on-line demonstrations of the practical course material. Online e-Exam portal provides multiple choice question banks for getting command over online examinations. All the departments have well equipped laboratories, as per the norms prescribed by various affiliating bodies. Every department has a multipurpose seminar hall equipped with LCD projector and PA system.

Human Resource Management

The service rules, Pay-packages and other facilities are given to faculty and staff as per norms by SPPU & Govt. of Maharashtra.

For professional development of the human resources, the institute encourages the faculty and staff to undergo development programs outside the institute, provides technical resources and financial assistance to undertake such development programs.

Partial financial assistance is offered to faculty for participating in various STTPs, FDPs, workshops, webinars, seminars and conferences.

The facilities like 1) EPF 2) Gratuity 3) GIS 4) EMBF and leaves like CL, SL, Maternity Leave, EL, Vacation are given to faculty and staff as per norms.

At the end of every academic year, Performance evaluation of the staff is done by online appraisal system provided on GEMS.

Cognizance of performance appraisal and qualification improvement of the employees by the respective HOD & Principal for annual increment and higher post.

Faculties are given opportunity to work with other overseas institute and encourages higher qualification enhancement in collaboration with overseas universities.

Industry Interaction / Collaboration

Industry Institute Interaction Cell (IIIC) consisting of member from industry, alumni is formed in every department and member from industry interacts with students.

Visit to industry, lectures on current technology are organized. Students are directed to industries for sponsored projects. Eminent speakers from industry and service sector are invited for interaction with the students and faculty.

Students go for in plant training or internship programs during vacation.

Entrepreneur Development (ED) Cell motivates the students to initiate an innovative idea which is converted to a new venture management. The Entrepreneurship Development Cell (EDC) orients students to start their own business ventures.

Bright students of department are allotted some of the industry projects.

Alumni placed in the reputed industries are invited for informal dialogue with the students.

Study tours are conducted for students to visit industries.

Admission of Students

The admissions are carried out through centralized process by DTE Maharashtra, so the data for minimum and maximum percentage of marks with other colleges of the affiliating university are not available for comparison.

6.2.2 : Implementation of e-governance in areas of operations:

Planning and Development

A Governing Educational Management System (GEMS) is maintained at institute level.

Paperless governance is carried out through GEMS online-the ERP platform.

GEMS is used for online management of -

- Staff Profiles and Service Records.
- Biometric attendance and leave approval of staff
- Student Profiles
- For taking students feedback

Administration

STES has its own data Centre. Important news and major events are uploaded on College Website i.e. www.sinhgad.edu.

GEMS software updated with faculty profile and facilities is being used for leave management and performance appraisals.

Activities of the institution such as sending e-mails, notices and agendas to faculty and staff rather than printing and distributing them is done with GEMS, enforcing a paperless communication.

Wi-Fi internet system is available in the office and faculty rooms.

Institute uses Bulk SMS Services to inform parents regarding the attendance and performance status of students.

Finance and Accounts

Account section uses Aspire Module (ERP-9) in order to maintain complete record of students. SINEWARE software is used to maintain the records of salary.

Student Admission and Support

DTE provides details of admission process and information brochure on its website: (www.dte.org). This brochure gives information regarding the eligibility and rules of admission for first year of engineering courses in the State of Maharashtra.

Examination

Institute uses Online e-Exam portal to provide multiple choice question banks and to conduct internal online test for students so that they get command over online examinations.

Institute and SPPU co-ordinates through QPD to carry out all exam related work.

6.3 Faculty Empowerment Strategies

6.3.1 Teachers provided with financial support to attend conferences / workshops and towards membership fee of professional bodies during the year

Year	Name of teacher	Name of conference/ workshop attended for which financial support provided	Name of the professional body for which membership fee is provided	Amount of support
2017-18	Mrs. Pooja P. Kulkarni	IEEE membership fees	IEEE membership fees	2,500/-
	Mrs. Pallavi Wararkar	AICTE-ISTE Approved 1 Week STTP on "Network Analysis and Synthesis" at ZCOER Pune	-	750
	Mr. A.V. Dhumane	Research Methodology and thesis Writing for Engineering Scholars	NBN Sinhgad School of Engineering, Ambegaon (Bk), Pune.	700/-
	Mrs. S. A. Chiwhane			1400/-
	Mr. P. S. Hanwate			1400/-
	Mr. D. S. Gaikwad			1400/-
	Mrs. S. N. Bhosale	DBMS Laboratory-I		250/-
	Mr. D. S. Gaikwad	Faculty Orientation Workshop on	-	650/-
	Mr. K. B. Kharat	TE(E&TC/Elex) Revised Syllabus 2015 Course	-	650/-
Mr. H. N. Lokhande	Workshop by NVIDIA on Machine learning	-	4,000/-	
2018-19	Mr. S. P. Bendale	Laboratory Practice-I	NBN Sinhgad School of Engineering, Ambegaon (Bk), Pune.	2000/-
	Mr. P. S. Kulkarni	Laboratory Practice - II		1600/-

6.3.2 Number of professional development / administrative training programmes organized by the College for teaching and non teaching staff during the year

Year	Title of the professional development programme organised for teaching staff	Title of the administrative training programme organised for non-teaching staff	Dates (from-to)	No. of participants (Teaching staff)	No. of participants (Non-teaching staff)
2017-18	‘Awareness Program on Flip Classroom’	-	6 th July 2017	15	-
	A national level SPPU sponsored QIP - ‘Two Days Workshop on Embedded Control Systems for Power Electronic Devices’	-	27 th & 28 th December 2017	(40 outside college + 11 NBNSO staff)	-
	Two Days State level workshop on Computational Fluid Dynamics and Its Industrial Applications.	-	29 th and 30 th January 2018	41	-

6.3.3 No. of teachers attending professional development programmes, viz., Orientation Programme, Refresher Course, Short Term Course, Faculty Development Programmes during the year

Title of the professional development programme	Number of teachers who attended	Date and Duration (from – to)
Workshop on " Student-Centered Teaching Learning Practices"	1	10 to 11th Aug 2017

6.3.5 Welfare schemes for					
Teaching		Group insurance scheme Accidental insurance Staff quarters Free medical treatment Registration fee for FDP programs Maternity leaves are provided as per the government and university rules Employee Provident Fund (EPF) with 100% gratuity for all staff			
Non teaching		Group insurance scheme Accidental insurance Staff quarters Free medical treatment Maternity leaves are provided as per the government and university rules Employee Provident Fund (EPF) with 100% gratuity for all staff			
Students		SWD –scholarship/freeship received for category students (for SC,ST,NT,VJNT,OBC,SBC) DTE- Economically Backward Class students- EBC Scholarship (for OPEN students)			
6.4 Financial Management and Resource Mobilization					
6.4.1 Institution conducts internal and external financial audits regularly (with in 100 words each)					

Yes, the institute conducts internal and external financial audits yearly (at the end of financial year)

6.4.2 Funds / Grants received from management, non-government bodies, individuals, philanthropies during the year(not covered in Criterion III)

Name of the non government funding agencies/ individuals	Funds/ Grants received in Rs.	Purpose
Nil	Nil	-

6.4.2 Total corpus fund generated Nil

6.5 Internal Quality Assurance System

6.5.1 Whether Academic and Administrative Audit (AAA) has been done?

Audit Type	External		Internal	
	Yes/No	Agency	Yes/No	Authority
Academic	Yes	SPPU/AICTE/NAAC	Yes	HOD/PRINCIPAL
Administrative	Yes	SPPU/AICTE/NAAC	Yes	HOD/PRINCIPAL

6.5.2 Activities and support from the Parent – Teacher Association (at least three)

For First year students Induction Program is arranged at the start of the academic year. On the first day Parents are also invited along with students. On this day parents are informed about all the activities and initiatives taken by the institute.

For every class, Teacher Guardian system is implemented, where approximately 30 students are allotted to one faculty member. Teacher Guardian co-ordinates with the parents regarding academic status of the student.

Institute conducts Parents Teachers meetings once in a year.

6.5.3 Development programmes for support staff : Four accounts staff members undergone training related to GST rules and new Talley software (ASPIRE) in the year 2017-18.

6.5.4 Post Accreditation initiative(s) (mention at least three)

- Reformation of Feedback forms and its analysis
- Start of Study Forum activities at all departments
- Reformation of Course objectives as per Industry Requirements and revision of syllabus

6.5.5

- a. Submission of Data for AISHE portal : Yes
 b. Participation in NIRF : Yes

c. ISO Certification	: No			
d. NBA or any other quality audit	: No			
6.5.6 Number of Quality Initiatives undertaken during the year 2018-19				
Year	Name of quality initiative by IQAC	Date of conducting activity	Duration (from-----to-----)	Number of participants
2018-19	Study Forum Activity on Internet of things at Computer Engineering Department	5/10/2018	From 10.30 am to 12.30 pm	25 students + 3 staff
2018-19	Study Forum Activity of Electrical Engineering on Geo Coordinate mapping of Prayaja City Feeder	5/10/2018	From 10.30 am to 12.30 pm	34 students + 12 Staff
2018-19	Study Forum activity of Mechanical Engineering Department - Seminar topics for third year and project topics for last year, Advanced materials and material processing	03/10/2018	10 am – 11.30 am	26
2018-19	Case study discussion on“Cryptography” under study forum of IT	3/10/2018	9am – 10.30 am	79

CRITERIONVII –INSTITUTIONAL VALUES AND BEST PRACTICES			
7.1 - Institutional Values and Social Responsibilities			
7.1.1 Gender Equity (Number of gender equity promotion programmes organized by the institution during the year)			
Title of the programme		Period (from-to)	Participants
			Female Male
Street Play: Women empowerment, Education system		21 st September 2018	Male +Female = 50
7.1.2 Environmental Consciousness and Sustainability/Alternate Energy initiatives such as:			
Sr. No.	Title of the Program	Duration of program	No. of Participants
1	One day visit to Loni Kalbhor for Swachhta Dindi	21 st June 2017	82
2	Tree Plantation at Gorhe(Bk.),Tal-Haveli,Dist-Pune	30 th June 2017	92
3	Special camp at Gorhe (Bk.)	15-21 st January 2018	56

4	Tree Plantation at Ramtekadi, Hadapsar, Tal-Haveli, Dist-Pune	20 th July 2018	124
5	Seminar on Segregation of plastic waste and recycle management	11 th September 2018	106
6	Public awareness for Eco-friendly Ganesh idol immersion campaign, Vadgaon (Bk.)	18 th September 2018	75

7.1.3 Differently abled (Divyangjan) friendliness

Items Facilities	Yes/No	No. of Beneficiaries
Physical facilities	Wash room	NIL
Provision for lift	Yes	
Ramp/ Rails	At ground floor of NBNSOIE building	
Braille Software/facilities	NIL	
Rest Rooms		
Scribes for examination	NIL	
Special skill development for differently abled students	NIL	
Any other similar facility	NIL	

7.1.4 Inclusion and Situatedness

Enlist most important initiatives taken to address locational advantages and disadvantages during the year - As the college is situated in Pune city (semi urban area), it becomes easy for students to undergo internship in various industries, arrange industrial visits / expert lectures and to opt for sponsored projects. They can join foreign language courses, as well as training programs for the preparation of GATE, CAT, GRE and IELTS examinations.

7.1.5 Human Values and Professional Ethics

Code of conduct (handbooks) for various stakeholders : College has code of conduct for teachers, nonteaching staff, students, Principals and the stake holders of the college.

Title	Date of Publication	Follow up (maximum 100 words each)

7.1.6 Activities conducted for promotion of universal Values and Ethics –

http://cms.sinhgad.edu/nbnssoe/NSS_Report.pdf

Activity	Duration (from-----to-----)	Number of participants
‘Public Interaction Awareness’ program was organized in Pune by STES’s NBN Sinhgad Technical Institutes Campus, Ambegaon (Bk.), Pune in association with Spit free India campaign by	24 th August 2017	23

“SAARE JAHAN SE ACCHA FOUNDATION” of Pune city		
“SNEHWAN” Orphanage visit to NBNSTIC	24 th August 2017	38
NSS-NBNSTIC had organized a blood donation camp on the occasion of “Foundation Day of NSS”	24 th September 2017	42
Special camp at Gorhe (Bk.)	15-21 th January 2018	
Kerala Relief Fund	21 th -23 rd July 2018	02
Blood donation camp in collaboration with SKN Hospital, Pune.	25 th September 2018	104

7.1.7 Initiatives taken by the institution to make the campus eco-friendly (at least five)

1. Use of online attendance and feedback monitoring system
2. Use of both sides of papers
3. Energy Audit of the building and instructions to students for switching off lights and fans when not required
4. Application submitted to SPPU for installation of 5KW rooftop, Solar power plant

7.2 Best Practices

Describe at least two institutional best practices

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website,

1. **Conduction of Student Training Programs –STP 1, STP 2, STP 3, STP 4 and STP 5**
2. **Conduction of co-curricular and extra-curricular activities under Sinhgad Students Council Clubs**

In keeping with the institution’s vision of producing not only good engineers but good human beings too, college has always given priority to all round development of students. For this, there is Student Training Program activity under which training on soft skills development, Group Discussion and personal interview techniques, Engineering Research and its publication and one value addition program on latest technology based on students’ choice are conducted from SE to BE level.

4. **Collection of Stakeholders' feedback through Google forms in the year 2018-19**

7.3 Institutional Distinctiveness

Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust

In keeping with the institution's vision of producing not only good engineers but good human beings too, college has always given priority to all round development of students. For this, there is Student Training Program activity under which training on soft skills development, Group Discussion and personal interview techniques, Engineering Research and its publication and one value addition program on latest technology based on students' choice are conducted from SE to BE level.

College has an active NSS cell under which various social activities are conducted to inculcate an awareness of the value of a holistic education and an empathy for the less privileged sections of society. College also has Sinhgad Students Council technical and non technical clubs such as Engineering clubs, Media club, Photography club, Training and placement club etc under which various activities like trainings/competitions are conducted throughout the year. Institute has Sinhgad Overseas Cell under which a guidance on educational opportunities in abroad is provided to the students.
