<p>It would be fantastic, If we stopped using plastic And eased the world's pain, With a healthy food chain. Turtles would no longer gag, On a supermarket's bag. Less chemicals in the sea, Would be healthier for you and me.</p> <p>If we protest en mass, Perhaps they'll use more glass, So the next time you buy squash, You can take back the bottle to wash. Cry out again, And again, 'When, Oh, when, Shops re-use paper wrapping, They'll have us all clapping.'</p> <p>We can choose from today, Things wrapped the right way. When we see a container, Using it again is saner. Take care what you throw away, Most will be here to stay.</p>	<p><b>A World Without plastic</b></p> <p>Poem by <b>Ritika Rawat</b></p>
