EVENT REPORT

NAME OF EVENT:- Flood Disaster Relief Drive

Date: 08/08/2021

STAFF COORDINATOR :- Prof. Sumit U. Mali, Prof. Rajkumar V. Patil

STUDENT COORDINATOR :- Mr. Hanumant Naikwad, Mr. Prajwal Nagurkar

NSS NBNSTIC organized a "Flood Disaster Relief Drive" in collaboration with 'Love Care Share Foundation' from 1st August, 2021 to 8th August, 2021 to provide relief to the people affected due to heavy rains and its following consequences in western ghats region of Maharashtra.

Event started with a campaigning program from 1st August, 2021 where volunteers approached nearby societies, college staff members, relatives, friends, etc. and motivated them for their contribution to this drive. Donations were accepted in all possible formats i.e., materials, food items, cereals, pulses, and even through monetary donation so as to provide all the possible relief. 10 various relief material collection spots spread around the city were provided for easy access to donators who are willing to contribute. Volunteers approached chairman of 'Wonder City' society Mr. Dange Sir on 5th August, 2021 for campaigning and the following day collected relief materials from the society. Similarly, few volunteers approached medical stores and grocery stores nearby and collected some donations from them. Materials were also collected from 'Panchwati Society'.

Relief materials collected from all the collection spots were sorted and packed properly on 7th August, 2021. All the necessary purchases of the materials not received directly as donations were made from the donation money. Total 135 kits, each containing materials like 5kg Wheat/Atta, 5kg Rice, 1kg Sugar, 1ltr Cooking Oil, Necessary Spices, Red Chili Powder, 1kg Salt, 1kg Poha, Tur/Moong Pulses, Tea Powder, 3 Tooth Brush, Tooth Paste, Sanitizers, Masks,

Sanitary Pads, 2 Biscuit Packets, Cloths Soap, Utensil Soap, Bath Soap, ORS Powder, etc. were packed for distribution among the affected people.

Few volunteer along with members of Love Care Share Foundation went to Salungana and Ashimpi Villages of Tal. Bhor Dist. Pune to provide relief to the people affected due to landslide and heavy rainfall. Bus was provided by STES Society for reaching and transporting the materials to the remote areas. Road conditions were terrible and hardly people were able to reach the pickup point. These villages were selected as no media personnel had reached these remote places and the immediate relief was required. When the relief materials reached villagers, they were elated and felicitated the volunteers for providing the essential relief materials.

Valuable support was received from the Sinhgad Technical Education Society, Director, NSS Program Officers, Societies, Shop Owners, Staff Members of the College that made this event successful and helped NSS NBNSTIC provide relief to the people hit by natural calamity.

On the auspicious occasion of International Mountain's Day, NBN Sinhgad Technical Institute Campus in collaboration with Love Care Share Foundation under Giripremi NGO had organized a fitness event for the volunteers. The event was conducted on Saturday, 11th December 2021 at Taljai Hills, Sahakar Nagar Shinde high school. The reporting time at the location was 6:30 am.

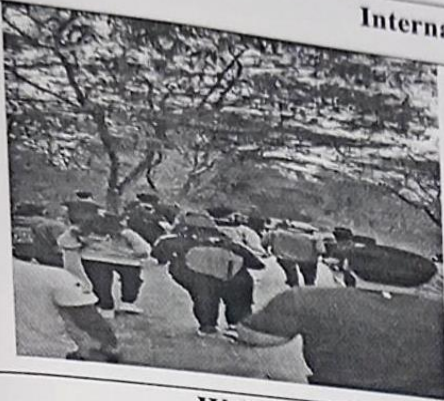

The activity started at 6:30 am with a 3km walk/run. After the completion of walk/run, Sahyadri Stotra and Parvat Puja was performed by the volunteers with great devotion. One of the veteran volunteers from the Giripremi NGO enlightened the importance of mountains and forests to everyone present there. It was indeed a very inspirational and touching speech. Subsequent to this, the volunteers were provided nutritious snacks to boost up their energy.

The volunteers returned to the informed location after they had their snacks. They were then taken to a ground where the Veervidya instructors taught Breathing Types of Body Organs. Everyone performed the exercises with great enthusiasm. Following the breathing exercises, Surya namaskar and its importance were also introduced and practiced by the volunteers. After performing the Surya namaskar, the volunteers were left with a feeling of bright refreshment.

Everyone appreciated the efforts taken by the organizing team which lead them to such a knowledgeable and an unforgettable experience. The event was conducted successfully

NAME OF EVENT:- Old Age Home Visit

STAFF COORDINATOR :- Prof. Sumit U. Mali

STUDENT COORDINATOR :- Miss. Avleen Khanuja, Mr. Sanket Patil

On Friday, 28th January 2022, the volunteers of NSS NBNSTIC visited 'Pratibha Sevadham', an Old Age Home located in Donje Gao, Pune. The purpose of this visit was to interact and spend some quality time with the residents of the Old Age Home.

The volunteers were asked to report at the college gate at 10am and they reached the Old Age Home at 10:30 am. They were given a very warm welcome by the founder and caretaker, Dr. Pratibha Paigude. The volunteers explored the place and also had a short introductory session where Dr. Paigude spoke about her journey and the difficulties she faced in establishing the Pratibha Sevadham.

After the introduction, the volunteers played many fun games with residents such as; passing the parcel, antakshari, etc. The residents also shared a lot of their fun experiences and anecdotes. The volunteers listened with keen interest and were intrigued by the anecdotes. The NSS unit also donated raw food materials such as wheat flour, rice, pulses, salt, peanuts, sugar, cashews, almonds, ghee, a few fresh vegetables, etc.

Soon it was time for the volunteers to return back. The residents requested the volunteers to sing a few songs before they left and also asked them to visit frequently to spend time. It was indeed a very memorable visit for the volunteers as well as the residents of the Old Age Home.

This event was organized at 2 children shelter homes namely Nachiket center and Hadpsar center.

First day at Nachiket center, the event started with introduction of all the volunteers and the children. Then ice breaking activity was conducted to interact with the children. Further, an experiment was performed (Turmeric Natural Indicator). Then a volunteer taught the topic of solar system and also showed them details about planets and moon taking it towards an interesting discussion with all the children. At the end short story was told to the children and to finish up the day, a question-and-answer session was conducted by the volunteers.

Similarly, at the Hadapsar center, the event started with the introduction of all the volunteers and children. Then a small interactive session was conducted to make them comfortable and get along with the activities. After that, mathematics related games were conducted. Then, an interactive learning session cum quiz of different geometrical shapes was conducted. The session ended with an 'identify the riddle' activity.

Second day in Nachiket center started with some interaction. First a video regarding crafting work was shown to the children. Then a drawing game was conducted by all the volunteers. Afterwards two stories were shown. Further one fun dance activity was taken where all the volunteers danced with the children. At the end question-and-answer session was held.

Same day at the Hadapsar center, volunteers taught children about science. At the beginning, volunteers did small interaction with children. Then the teaching session included some of the great discoveries and the information about the great scientists. In this session children were given insights about the discovery of bulb, telephone, computers, rockets, etc. Then volunteers taught about the solar system with the help of an animated video. Further one science experiment (Turmeric Natural Indicator) was performed and explained to the children. After that, volunteers conducted small riddle session for fun. Then some interesting science related facts were conveyed. Following that session children were taught about different types of pollution and how they can contribute to avoid pollution. The 2nd day session concluded with an interaction.

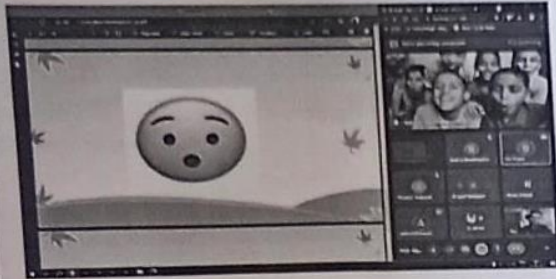

Last day at the Nachiket center, the event started with some interaction and a fun activity on different shapes. Then a short story of a great mathematician was shown to the kids and question-and-answer session was held on the same. Next a puzzle game was conducted. Furthermore, some short videos were shown to the children. At last, a dance activity was conducted where all the kids and volunteers participated and a question-and-answer session regarding event was conducted.

EVENT REPORT

NAME OF EVENT:- Ultimate Winter Donation Drive

STAFF COORDINATOR :- Prof. Sumit U. Mali

STUDENT COORDINATOR :- Mr. Deepesh Phirke, Mr. Hrishikesh Tidake

As compare to past years the temperature this year was very low, so NSS NBNSTIC conducted an "Ultimate Winter Donation Drive" from 8th December, 2021 to 20th December, 2021 to help those who can't afford the winter supplies.

Event started with a Campaigning program from 8th December, 2021 to 15th December, 2021 where our Volunteers approached nearby societies, college staff members, relatives, friends etc. and motivated them for their contribution to this drive. Donations were accepted in all possible formats i.e., blankets, sweaters, gently used winter clothes, and even through monetary donation so as to provide all the possible relief to survive this Winter. Winter Supplies were also collected from hostels, societies and various other places.

Love Care Share Foundation donated 25 New Blankets to NSS NBNSTIC for the cause. Winter supplies collected from all the collection spots and were sorted and packed properly on 15th December, 2021. Roughly used clothes were discarded and the remaining ones were packed for distribution among the needy ones. All the necessary purchases of the winter supplies not received directly as donations were made from the donation money. Finally, the donation of all collected clothes was distributed on 20th December, 2021 to various locations such as near Railway Station, bus stops, roadsides, etc. When the Winter Supplies reached the needy ones, they were elated and felicitated our Volunteers for providing the essential help. Some clothes of kids in the age of 8 to 12 years and Blankets were also donated to an NGO named 'Dada Chi Shala' to help the underprivileged kids to survive this winter.

Valuable Support was received from Sinhgad Technical Education Society, Director, NSS Programme Officer, Societies, Staff Members, and Hostilities of the College that made this event successful and helped NSS NBNSTIC provide relief to the people who can't afford with winter supplies.
