6.2.1 The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, deployment of institutional Strategic/perspective/development plan etc

The Institute developed Perspective Strategic plan based on New Education Policy that includes following:

- 1 **Improvement in the methodology of Teaching – Learning Process** by leveraging ICT tools along with hybrid mode & more skill set improvement oriented curriculum . Faculties & students must have to be encouraged for more research work with funds raising from government and non government organizations. Students will be motivated to learn additional foreign languages.
- 2 **The institute will boost more Industry – Institute Interaction process.** It will tie up with alumni startup, Memorandum of Understandings for better interaction, industrial visits, internship ultimately focused on improved placement opportunities to students. Center of Excellence will be more active for entrepreneurship development.
- 3 **For overall improvement perspective for students,** motivation for competitive examinations, participate in cultural events.
- 4 **Extension Programs** like National Service Scheme (NSS) wing of the institute will help to reach rural more community based programs & CSR activities.
- 5 **The institute will go for accreditation,** ATAL, NIRF rankings for Quality Improvement & Assurance Measures.
