

Event Report
SAE SUPRA 2019
T-Rex Motorsports
NBN Sinhgad School of Engineering

Summary:

Team of NBN Sinhgad School of Engineering Participated in SUPRA SAE INDIA 2019 as Car no.108 with name T-Rex Motorsports. Team participated with total 15 team members and 1 faculty adviser. Event held at Buddha International Circuit, New Delhi from 15th July 2019 to 21st July 2019. Total 120 teams participated in event where team secured 21st ranking overall and one of 55 teams who successfully cleared the technical inspection and one of 40 teams who cleared tilt test.

15th July 2019:

On day 0 of the event team has been registered for the event. All documentations need for inspection has been submitted to organisers. Vehicle had prepared for Technical Inspection for next day.

16th July 2019:

On day 1 at 10am team registered for tech inspection. Time slot allotted to team was 4pm on day 1. Team attempt first try for tech inspection at given time. 2 small queries had raised against manufacturing and asked to clear. But due to only small query and time for day 1 is end we are asked to come tomorrow and classified as tier 1 team for next inspection.

17th July 2019:

On day 2 at morning tech inspection was cleared by team. T-Rex Motorsports was 4th team to do so. After that team went to tilt test at 1pm. In its very first attempt team cleared with tilt test. In remaining time of day team cleared driver egress test. Weight of vehicle was registered as 260kg with driver. Its was 36kg weight loss than previous competition.

18th July 2019:

On day 3 in morning we registered vehicle for noise test. Change in climate take vehicle too long to start. Team increased Air-fuel ratio to sustain that climate. Noise test was cleared at about 1.30pm on that day. Noise was 96.08 dBC which was very great with 4 cylinder 600cc power unit. On a same day team cleared brake test in very first attempt. And thus team cleared all tests. Now that's the time for dynamics. On a same day we go for acceleration event. Timings for team was 5.20 sec for 75m patch clearance.

19th July 2019:

On a day 4 in morning team went for static events. Starting early in morning at 10am team went for cost report presentation. This was presented by Farzan Ahmad, Aditya Jadhav and Rushikesh Gore. Next at 10.30am team went for design report. This was presented by Omkar Bhosale, Shon Jadhav and Sanket Bhosale. On a same day we complete the Autocross event. After 2pm vehicle was taken back to pit. And for next 3 hours vehicle was built for tomorrow's Endurance test.

20th July 2019:

On day 5 of Event vehicle was gone for Endurance and given start number 2 in its lot. Unfortunately, there was shaft failure for endurance which was nightmare for team. Still was managed to secure 21st rank overall and 4th place in Engineering Excellence.

**VERSTALIA
National Level Project Competition**

A National Level Project Competition is organised by Pune Vidyarthi Griha's College of Engineering and Technology & G K Pate(Wani) Institute of Management, Pune on 30th April 2022. Following

Name of Participants:

- 1) Miss Manasi Badade (TE E&TC)
- 2) Miss Sushmita Choure(TE E&TC)
- 3) Hrishikesh Mali (TE E&TC)

Guidelines for demonstration of the project:

1. Give the requirements needed for the project set-up well in advance i.e. 5 days before the competition.
2. The software simulation of complete project should be demonstrated.
3. The working model of the complete project should be demonstrated. Discrete working of the project components will reduce marks in the competition.
4. The time assigned for each project demonstration in online and offline mode will be 15-20 minutes.
5. The meeting link for online project evaluation will be shared on Thursday.
6. For online mode of evaluation, participants should strictly follow the time allotted for presentation.
7. For online mode of evaluation, demonstration of working model of project/simulation should be presented.

Other important guidelines

1. Participants should come in the formal/college uniform with their college identity card.
2. All participants should wear mask and follow social distancing norms.

- All participants should follow the time and wait till the end of the competition. The competition is a platform to showcase your project skills in front of various industry experts.
- For online presentation, participants should first give their introduction with camera turned on.

Participants can call the student Coordinators for any query related to display of projects in the competition.

Best Wishes for the competition.
