EVENT REPORT

Date: 17/01/2022

NAME OF EVENT:- Dry Garbage Collection Drive

STAFF COORDINATOR :- Prof. Sumit U. Mali

STUDENT COORDINATOR :- Miss. Anjali Shette, Mr. Suyash Shinde

The NSS Unit of NBNSTIC observed the "Dry Garbage Collection Drive" under Youth Week at Sinhgad Institutes Vadgaon Campus, Pune on Monday, 17th January, 2022.

The main purpose of this event was to address the issues of personal hygiene, public sanitation conditions and lack of awareness towards the problem, i.e., cleanliness. The campaign focused on gathering as much attention as possible towards this issue as it is taken rather lightly in Indian society.

The drive began with an Oath Taking Ceremony by the NSS volunteers at 9:30am. Inspired by the oath, our energetic volunteers partook in cleaning up every nook and cranny of the college campus. The drive was further divided into phases for an effective campaign. During the first phase, the volunteers collected the dry garbage in the campus surroundings and which was later on taken away for segregation. The second phase of the campaign was taken beyond the walls of the college as the volunteers launched a door-to-door campaign, spreading awareness among the general public. They explained the importance of cleanliness and underwent the motions of sweeping and garbage disposal along with the locals. Ingrained with pure spirit, they vowed to keep up the efforts of a clean environment on a personal level even after the drive was over.

The cleanliness drive was successfully completed by the NSS volunteers at 12:30pm. Not only did the volunteers clean the surroundings, but also spread awareness and set the right

example for everyone. Total count of volunteers was 89 in this event. The event was conducted by following all the Covid-19 protocols.

STUDENT COORDINATOR :- Miss. Meetal, Mr. Akash Maurya

NSS NBNSTIC organised "A Challenge of 3 Days- To Support Sustainability" in collaboration with Ashwas Organisation from Sunday, 30th May, 2021 to Tuesday, 1st June, 2021 to celebrate 'World Environment Day'.

First of all, an Orientation was arranged by Ashwas Organisation Volunteers where they explained each and every detail for the 3 day event challenges. Then a doubt clearing session was arranged in that Orientation for our NSS Volunteers so that we can perform all the challenges without any difficulty.

On the first day, i.e. Sunday, 30th May, 2021 our first challenge was Plogging and collecting trash from our surroundings. Since it won't be possible for everyone to go outside so they kept an alternative challenge where our NSS Volunteers have to perform a perfect physical fitness routine with healthy food and Exercise.

The second day, i.e. Monday, 31st May, 2021 our NSS volunteers were assigned with the challenge to make "Seed Balls". All we have to do is mixed the soil, manure and seeds together and make small balls of it. Our Volunteers manage to make around 750 seed balls in total.

The last day, i.e. Tuesday, 1st June, 2021 our Volunteers were assigned with the challenge to be creative and make something out of waste and also inspire others by sharing their pictures on social media handles. In Best from Waste Challenge, paper bags from newspaper, flower vase from unused bottles, pen stand from cardboard, etc. were made by our Volunteers.

The total no. of 55 NSS Volunteers actively participated in all the three challenges and were also given Participation Certificates from Ashwas Organisation on Saturday, 5th June, 2021 i.e. World Environment Day.
