NSS NBNSTIC organized Food Donation Drive in collaboration with Love care share foundation on 2 January, 2021. We live in a developing and technologically powered world where enough food is produced to feed the entire population. Yet, with all means at our disposal, wastefulness and hunger exists in this world. That is why food donation is important.

Our volunteers had distributed more than 200 food packages (Pulao). The food packets had been distributed in the different areas of the Pune city. The peoples were very happy and thankful to our volunteers after receiving food packets. It was so relaxing to see peoples enjoying their meals. Volunteers were there to spread love and laughter on the face of those who are looking for your support. This event was conducted by taking all the precautions and Covid-19 protocols.

NAME OF EVENT:- TREE PLANTATION

STAFF COORDINATOR :- Prof. Y. P. Gawale

STUDENTS COORDINATOR :- Miss.Sakshi Joshi, Mr.Nikhil Dhamal

Trees are vital. As the biggest plants on the planet, they give us oxygen, store carbon, stabilize the soil and give life to the world's wildlife. They also provide us with the materials for tools and shelter.

NSS NBNSTIC organized an Online Tree Plantation Event throughout the week where each student had planted a tree at their place only. Then they have to click a picture and post it on their social media handle with hashtags #tree-plantation and #go-green.

Due to Covid -19 we had celebrated this event virtually. The main event was celebrated on 15 July, 2020. It started with a short speech on Importance of Trees followed by a tree plantation video by our NSS Volunteers.

This Event was held online on Microsoft Teams platform under strict guidelines of Covid-19.
