"Trees help to reduce temperature during summer, reduce carbon emissions and increase fruits, it is nectar for birds and butterflies. Planting trees is most essential to save our ecology. If a full-grown tree covers 10 sqmt area, the canopy from 4 crore saplings over Maharashtra will substantially increase green cover, making it the first step to address climate change."

In support of 4 Crore tree plantation drive of Government of Maharashtra's from 1st-7thJuly, 2017 i.e. Van Mahotsav, Sinhgad Technical Education Society's, NBN Sinhgad School of Engineering, Ambegaon, Pune-41 have conducted tree plantation drive on 30th June, 2017 at Gorhe (Bk.).
