Subject: - Invitation to conduct workshop on "Automation Studio (V4.7)".

Dear Sir / Madam,

Ours is an Institute under STES and has emerged as one of the leading Engineering in the states.

We strive to provide excellent inputs to students to make them valuable human resource for the engineering industries. Due to the globalization and competition in the industrial and service sectors the selection for the jobs is based on campus interviews or competitive tests. By introducing professional practices, we provide opportunity to students to undergo activities, which will enable them to develop confidence. Industry visits, workshops, Audit Courses, Hands on skills, expert lectures, seminars & group discussions are planned in a semester so that there will be increased participation of students in learning process.

We will indebted to your good self if you accept our invitation to conduct workshop on "Automation Studio (V4.7)" for our students & staff.

Thanking you,

Yours faithfully

Dr. M. M. Jadhav
