EVENT REPORT

Date: 16/07/2020

NAME OF EVENT:- TREE PLANTATION

STAFF COORDINATOR :- Prof. Y. P. Gawale

STUDENTS COORDINATOR :- Miss.Sakshi Joshi, Mr.Nikhil Dhamal

Trees are vital. As the biggest plants on the planet, they give us oxygen, store carbon, stabilize the soil and give life to the world's wildlife. They also provide us with the materials for tools and shelter.

NSS NBNSTIC organized an Online Tree Plantation Event throughout the week where each student had planted a tree at their place only. Then they have to click a picture and post it on their social media handle with hashtags #tree-plantation and #go-green.

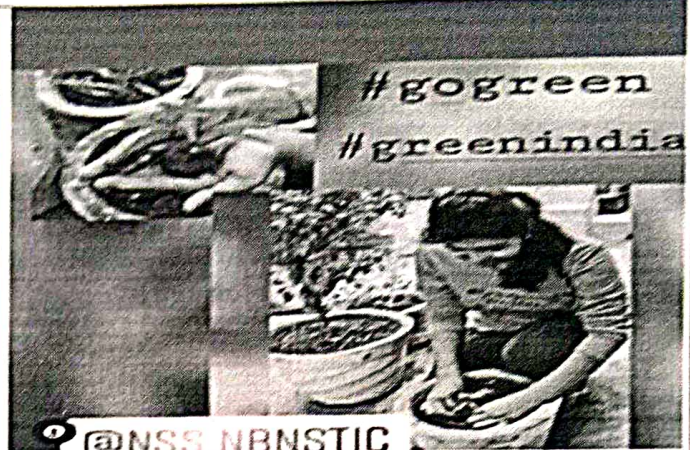

Due to Covid -19 we had celebrated this event virtually. The main event was celebrated on 15 July, 2020. It started with a short speech on Importance of Trees followed by a tree plantation video by our NSS Volunteers.

This Event was held online on Microsoft Teams platform under strict guidelines of Covid-19.
