EVENT REPORT

Date: 27/12/2021

NAME OF EVENT:- Ultimate Winter Donation Drive

STAFF COORDINATOR :- Prof. Sumit U. Mali

STUDENT COORDINATOR :- Mr. Deepesh Phirke, Mr. Hrishikesh Tidake

As compare to past years the temperature this year was very low, so NSS NBNSTIC conducted an "Ultimate Winter Donation Drive" from 8th December, 2021 to 20th December, 2021 to help those who can't afford the winter supplies.

Event started with a Campaigning program from 8th December, 2021 to 15th December, 2021 where our Volunteers approached nearby societies, college staff members, relatives, friends etc. and motivated them for their contribution to this drive. Donations were accepted in all possible formats i.e., blankets, sweaters, gently used winter clothes, and even through monetary donation so as to provide all the possible relief to survive this Winter. Winter Supplies were also collected from hostels, societies and various other places.

Love Care Share Foundation donated 25 New Blankets to NSS NBNSTIC for the cause. Winter supplies collected from all the collection spots and were sorted and packed properly on 15th December, 2021. Roughly used clothes were discarded and the remaining ones were packed for distribution among the needy ones. All the necessary purchases of the winter supplies not received directly as donations were made from the donation money. Finally, the donation of all collected clothes was distributed on 20th December, 2021 to various locations such as near Railway Station, bus stops, roadsides, etc. When the Winter Supplies reached the needy ones, they were elated and felicitated our Volunteers for providing the essential help. Some clothes of kids in the age of 8 to 12 years and Blankets were also donated to an NGO named 'Dada Chi Shala' to help the underprivileged kids to survive this winter.

Valuable Support was received from Sinhgad Technical Education Society, Director, NSS Programme Officer, Societies, Staff Members, and Hostilities of the College that made this event successful and helped NSS NBNSTIC provide relief to the people who can't afford with winter supplies.
