EVENT REPORT

Date: 05/06/2021

NAME OF EVENT:-World Environment Day

STAFF COORDINATOR :- Prof. Sumit U. Mali, Prof. Rajkumar V. Patil

STUDENT COORDINATOR :- Miss. Meetal, Mr. Akash Maurya

NSS NBNSTIC organised "A Challenge of 3 Days- To Support Sustainability" in collaboration with Ashwas Organisation from Sunday, 30th May, 2021 to Tuesday, 1st June, 2021 to celebrate 'World Environment Day'.

First of all, an Orientation was arranged by Ashwas Organisation Volunteers where they explained each and every detail for the 3 day event challenges. Then a doubt clearing session was arranged in that Orientation for our NSS Volunteers so that we can perform all the challenges without any difficulty.

On the first day, i.e. Sunday, 30th May, 2021 our first challenge was Plogging and collecting trash from our surroundings. Since it won't be possible for everyone to go outside so they kept an alternative challenge where our NSS Volunteers have to perform a perfect physical fitness routine with healthy food and Exercise.

The second day, i.e. Monday, 31st May, 2021 our NSS volunteers were assigned with the challenge to make "Seed Balls". All we have to do is mixed the soil, manure and seeds together and make small balls of it. Our Volunteers manage to make around 750 seed balls in total.

The last day, i.e. Tuesday, 1st June, 2021 our Volunteers were assigned with the challenge to be creative and make something out of waste and also inspire others by sharing their pictures on social media handles. In Best from Waste Challenge, paper bags from newspaper, flower vase from unused bottles, pen stand from cardboard, etc. were made by our Volunteers.

The total no. of 55 NSS Volunteers actively participated in all the three challenges and were also given Participation Certificates from Ashwas Organisation on Saturday, 5th June, 2021 i.e. World Environment Day.

World Environment Day	
	
Day 1: Plogging	Day 1: Plogging
	
Day 2: Seed Ball Making	Day 2: Seed Ball Making
	
Day 3: Best from Waste	Day 3: Best from Waste
