EVENT REPORT

Date: 31/08/2021

NAME OF EVENT: - Tree Plantation Drive

STAFF COORDINATOR: - Prof. Sumit U. Mali, Prof. Rajkumar V. Patil

STUDENT COORDINATOR: - Mr. Sahil Badve, Mr. Om Kasar

Tree plantation drive was organized by the students of NBN Sinhgad School of Engineering, Pune from Saturday, 28th August 2021 to Monday, 30th August 2021 under National Service Scheme to promote environmental sustainability.

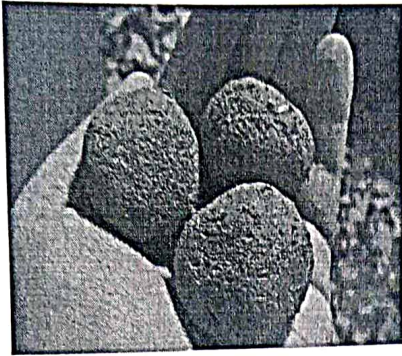

Volunteers were assigned a task to plant a tree sapling in their nearby surrounding or make the seedballs from the plant seeds and soil. This event was conducted at volunteer's native place due to prevailing COVID-19 situation. After completion of plantation procedure and seedball making, volunteers were asked to photograph or video record their tree plantation activity and then share the pictures/videos on their respective social media handles to promote environment conservation and spread awareness regarding the same. Volunteers shared the stories using the hashtags #GoGreen #NssNbnstic and tagged the official Instagram handle of NSS NBNSTIC @nss.nbnstic.

They were also encouraged to nominate their at least 3 friends to plant a sapling and create the chain for conserving the environment. They were also imparted the importance of taking care of the plant for proper growth of the sapling. The director and program officers helped in the smooth conduct of this drive to promote eco-friendly environment.

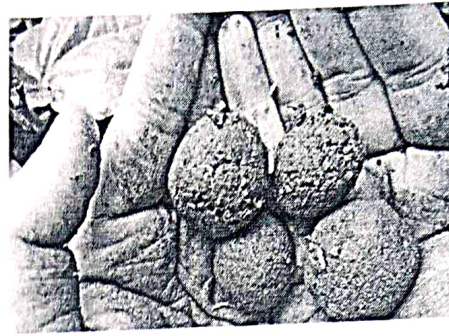

Total 124 volunteers planted the sapling in this tree plantation drive for promoting the sustainable environment development and spreading the message in the society for the same.
