**NAME OF EVENT:- Blood Donation Camp**

**STAFF COORDINATOR :- Prof. Sumit U. Mali**

**STUDENT COORDINATOR :- Miss. Pradnya Gadewar, Mr. Suyash Shinde**

A great initiative of organizing the "Blood Donation Camp" was taken by NSS NBNSTIC on Monday, 14<sup>th</sup> February, 2022, at Seminar Hall, Department of Mechanical Engineering, NBNSTIC in collaboration with Smt. Kashibai Navale Medical College and General Hospital, Pune. The event was scheduled from 10:00 AM to 5:00 PM.

Volunteers created many different posters based on facts, myths, slogans regarding blood donation for campaigning purposes. Volunteers carried out campaign activities in various places such as colleges of Vadgaon and Ambegaon campuses, nearby societies and hostels. The event was anchored by Mrs. Devyani Phade and started with a NSS Song followed by addressing the audience from our respected Principal Dr. Shivprasad P. Patil, NSS program officer Prof. U. Mali Sir and Chief guest Mr. Gopinath Jadhav. As we all know that 14 February is known for Black Day of India i.e Pulwama Attack so everyone was asked for keeping 2 minutes silence in the remembrance of our brave soldiers' lives.

Finally, the Blood Donation was started. First of all, our Guest Speaker including other department professors donated the blood. Then our students and other interested people donated the blood after which they were provided with refreshments. We collected in total 78 donations. The event ended with thanking doctors and nurses by felicitating them with roses.
