On the occasion of World Literacy Day, Nbn Sinhgad Technical Institute Campus conducted an online event on 8<sup>th</sup> September, 2020 named as "Bookaholic" in which the volunteers have to follow simple steps:-

1. Upload the photograph of any book in their social media with the hashtag #nbnssbookcampaign.
2. Then they have to write the summary and tag it to our Official Instagram Page so that their summary can get featured in our page.

This event was done to promote the Importance of Literacy and to socially spread awareness among others. This event was conducted in online mode due to current pandemic of Covid-19. We had a very good response from students of Sinhgad. Everyone was very enthusiastic during this event. Many students shared summaries related to famous writer books like Chetan Bhagat, Religious books like Mahabharata and some books were from Sudha Murty. We had a very good collection of literature and learnings from them.
