NSS NBNSTIC organized a "Flood Disaster Relief Drive" in collaboration with 'Love Care Share Foundation' from 1st August, 2021 to 8th August, 2021 to provide relief to the people affected due to heavy rains and its following consequences in western ghats region of Maharashtra.

Event started with a campaigning program from 1st August, 2021 where volunteers approached nearby societies, college staff members, relatives, friends, etc. and motivated them for their contribution to this drive. Donations were accepted in all possible formats i.e., materials, food items, cereals, pulses, and even through monetary donation so as to provide all the possible relief. 10 various relief material collection spots spread around the city were provided for easy access to donators who are willing to contribute. Volunteers approached chairman of 'Wonder City' society Mr. Dange Sir on 5th August, 2021 for campaigning and the following day collected relief materials from the society. Similarly, few volunteers approached medical stores and grocery stores nearby and collected some donations from them. Materials were also collected from 'Panchwati Society'.

Relief materials collected from all the collection spots were sorted and packed properly on 7th August, 2021. All the necessary purchases of the materials not received directly as donations were made from the donation money. Total 135 kits, each containing materials like 5kg Wheat/Atta, 5kg Rice, 1kg Sugar, 1ltr Cooking Oil, Necessary Spices, Red Chili Powder, 1kg Salt, 1kg Poha, Tur/Moong Pulses, Tea Powder, 3 Tooth Brush, Tooth Paste, Sanitizers, Masks,

Sanitary Pads, 2 Biscuit Packets, Cloths Soap, Utensil Soap, Bath Soap, ORS Powder, etc. were packed for distribution among the affected people.

Few volunteer along with members of Love Care Share Foundation went to Salungana and Ashimpi Villages of Tal. Bhore Dist. Pune to provide relief to the people affected due to landslide and heavy rainfall. Bus was provided by STES Society for reaching and transporting the materials to the remote areas. Road conditions were terrible and hardly people were able to reach the pickup point. These villages were selected as no media personnel had reached these remote places and the immediate relief was required. When the relief materials reached villagers, they were elated and felicitated the volunteers for providing the essential relief materials.

Valuable support was received from the Sinhgad Technical Education Society, Director, NSS Program Officers, Societies, Shop Owners, Staff Members of the College that made this event successful and helped NSS NBNSTIC provide relief to the people hit by natural calamity.
