### EVENT REPORT

Date: 11/10/2020

NAME OF EVENT:-World Mental Health Day

STAFF COORDINATOR :- Prof. Y. P. Gawale

STUDENTS COORDINATOR :- Mr. Ajay Andhale, Miss. Rekha Kumbharkar

On the occasion of World Mental Health day, NBN Sinhgad Technical Institute Campus decided to celebrate this day in their own way:

A study by John Hopkins University showed that Mental Health issues are the second largest reason for death among teenagers. The theme for this event was "kindness".

The reason for choosing the theme "kindness" was, we don't know what other people might be going through and a little kindness can help in boosting their Mental Health immensely where we asked our volunteers to do random act of kindness for the lives around them and we also asked them to post about it on social media platforms so as to inspire other people to do the same.

On World Mental Health Day i.e. 10th October 2020 an event was hosted where we discussed about Mental Health issues, their symptoms and how to identify and help a person suffering through Mental Health issues by showing some awareness videos and with the talks by the volunteers Rekha Kumbharkar, Ajay Andhale and Harsh Paradkar.

After the event was completed we had prepared a video to thank everyone who participated for their effort and willingness to help, e-certificates were given every participant following a few days after the event.

NSS NBNSTIC organised an awareness on RTE Act in collaboration with Bhumi NGO on 14 March, 2021.
