Respected madam,

As per discussion in FOW, Eclipse IDE was suggested as a tool for FJP programming subject (2019 Course). But students are facing difficulty in using it. On the other hand, Notepad++ with JDK version 7/8 is easy to understand Java programming practicals.

I request you to consider.

Thanks & Regards,

Respected Mam,
it is absolutely ok if you are using notepad++
nothing is made compulsory
if students are fine with it continue with same
