7.1.2 Green campus initiatives

Policy Document

The 'Swachh Bharat Mission' has catalyzed the importance and relevance of India's journey to implement the cleanliness agenda in all walks of life with a motto of 'Swachh Bharat is Swasth Bharat'.

According to the campus' green initiatives, NBN STIC is working to become a green institution in Maharashtra by expanding its tree-planting program to create environmental awareness in society and actively engage in efforts to protect the planet earth against human intrusions in order to achieve a sustainable, pollution-free, and positive life. A green campus concept gives an institution the chance to take the lead in reframing its environmental culture and generating new paradigms.

Initiatives Taken to Fulfill the Clean and Green Campus Policy

- Green Audit
