The NSS Unit of NBNSTIC observed the “Dry Garbage Collection Drive” under Youth Week at Sinhgad Institutes Vadgaon Campus, Pune on Monday, 17th January, 2022.

The main purpose of this event was to address the issues of personal hygiene, public sanitation conditions and lack of awareness towards the problem, i.e., cleanliness. The campaign focused on gathering as much attention as possible towards this issue as it is taken rather lightly in Indian society.

The drive began with an Oath Taking Ceremony by the NSS volunteers at 9:30am. Inspired by the oath, our energetic volunteers partook in cleaning up every nook and cranny of the college campus. The drive was further divided into phases for an effective campaign. During the first phase, the volunteers collected the dry garbage in the campus surroundings and which was later on taken away for segregation. The second phase of the campaign was taken beyond the walls of the college as the volunteers launched a door-to-door campaign, spreading awareness among the general public. They explained the importance of cleanliness and underwent the motions of sweeping and garbage disposal along with the locals. Ingrained with pure spirit, they vowed to keep up the efforts of a clean environment on a personal level even after the drive was over.

The cleanliness drive was successfully completed by the NSS volunteers at 12:30pm. Not only did the volunteers clean the surroundings, but also spread awareness and set the right

example for everyone. Total count of volunteers was 22 in this event. The event was conducted by following all the Covid-19 protocols.
