Responses:

Everything is perfect
Good
Best college for placement
verall teaching is good
Feaching by using real life examples for better understanding
Efforts are made by the teachers to give us best source of study.
mprovement in E-learning platform
Make student attend every class.
think there is nothing to improve teaching in our institute because our institute is good for those who really want to learn
nstead of assignments, mini projects should be given as tasks for better understanding of concepts

More engagement with upcoming technologies

Informative, precise, helpful

Everything is going well. I wish the best to the institution.

Industrial oriented teaching skills

Workshops for communication skills

All things are good about Nbn and staff

Use a variety of teaching methods.

Every theoretical concept should tech practically

My learning experience is quite good in this college and I am fully satisfied

It was great.

Overall i had a great experience with the college

Faculties are very cooperative, they are perfect. Institute can assist students to get a intership and discuss about further opportunities after BE like doing a job or going for PG.

Giving more examples of real life applications would help understand concepts easily and quickly.

Competitive programming cultural must be introduced

We students should get good cooperation in extracurricular or curricular activities.

Overall great experience and forever grateful to have a such a excellent college

Need to continuous visits in various industries

Good

College have to provide notes and exam related preparation guide to improve our knowledge and confidence to conquer exam fear and pass with excellence.
