Report on Capital Market Awareness by CA Jayashree Venkatesh

Guest Lecture by Ms. Jayashree Venkatesh

Topic:-CAPITAL MARKET AWARENESS

Student Attendance:-70+

Date:-October 11th, 2023, Wednesday

Venue:- Seminar Hall,4th floor

A guest lecture was conducted by **Ms. Jayashree Venkatesh Madam** on the topic of “**Capital Market Awareness**” on October 11, 2023, at STES NBSSOMS Pune. Ms. Jayashree is currently working as a Chartered Accountant and Assistant Professor.

Dr. Prakash Pise, HoD, MBA Dept. felicitated Ms. Jayashree Venkatesh Madam.

Miss Prajakta Koli gave an introduction to Ms. Jayashree Venkatesh.

Ms. Jayashree Venkatesh started the session by interacting with students about the stock market and went over the basic concepts of stock trading like brokerage, listing, and financial services. The different types of shares like stock, future, and option were discussed with the students. The concepts of stock trading where it is an important asset for any individual or organization were explained to the students. Also, the tremendous growth of the capital market in India, a prominent investment sector not just for Indian citizens but also for global citizens, inspires students to focus on investment in the capital market.

Students were also asked to constantly gain knowledge through sources that provide economic information so that they could start investing one fine day and get revenue on their own.

Feedback from students was very enthusiastic as the session was very informative and the students learned a lot about capital market awareness. they were able to understand capital investment from the perspective of a chartered accountant as well as an assistant professor, which can broaden their understanding and critical thinking skills.

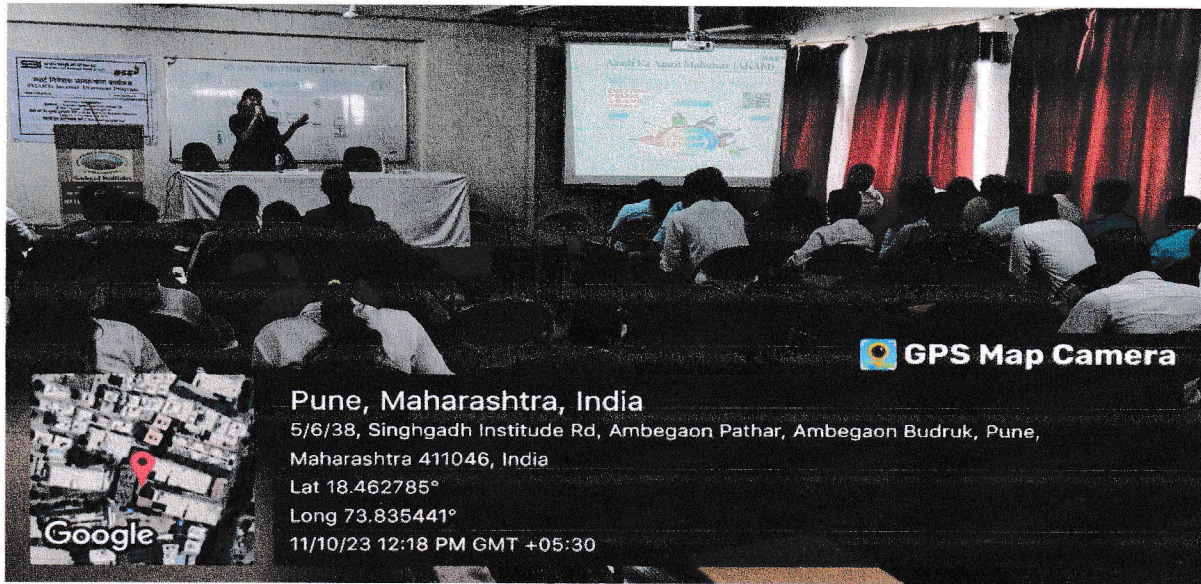

The vote of thanks was offered by Ms. Anushka Shendkar and the program concluded.
