ABOUT SINHGAD TECHNICAL EDUCATION SOCIETY (STES)

It is rightly said that "Where there is vision, there is direction". Sinhgad Institutes dream stems from the great Vision of our Founder President, Hon'ble Prof. M. N. Navale, which is to see each one of you emerge as a creator, a leader, and an innovator.

ABOUT NBN SINHGAD TECHNICAL INSTITUTES CAMPUS (NBNSTIC)

NBNSTIC, graded A by NAAC, was established in the year 2011 under the umbrella of STES, provides four years UG program in Mechanical Engg., Electrical Engg., Electronics & Telecommunication Engg., Computer Engg., Information Technology and two-years MBA program. The main focus is on developing excellent academic environment, social mobility and character/mindset development of students.

CONFERENCE INFORMATION

Conference focus will be on latest trends on Smart Computing, new trends in Smart City, Robotics, Artificial Intelligence (AI), Internet of Things (IoT), Augmented Reality and Virtual Reality, e-Vehicles, security and surveillance, smart manufacturing, and industrial automation. The main focus of this event is to develop excellent academic and scientific mindset among the student. Also, it will provide a platform for prospective students to show- case their talent in the field of engineering and management by publishing papers for themselves.

The Organizing Committee will use Microsoft CMT for managing workflows, to handled submission and facilitate reviews to maintain the quality and transparency in the publications. The [Microsoft CMT service](#) was used for managing the peer-reviewing process for this conference. This service was provided for free by Microsoft and they bore all expenses, including costs for Azure cloud services as well as for software development and support.
